DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

The Title:

The title of the invention is not descriptive. A new title is required that is clearly indicative of the invention to which the claims are directed.

The Priority:

The related parent case has been matured into a patent therefore it is suggested the "US Patent application No. 09/787139 should be updated to a patent.

The abstract:

The abstract is two long and should be directed to a method invention. The following guidelines are suggested for the applicant's use.

Abstract of the Disclosure: See MPEP § 608.01(f). A brief narrative of the disclosure as a whole in a single paragraph of 150 words or less commencing on a separate sheet following the claims. In an international application which has entered the national stage (37 CFR 1.491(b)), the applicant need not submit an abstract commencing on a separate sheet if an abstract was published with the international application under PCT Article 21. The abstract that appears on the cover page of the pamphlet published by the International Bureau (IB) of the World Intellectual Property Organization (WIPO) is the abstract that will be used by the USPTO. See MPEP § 1893.03(e).

The claims:

Non-elected claims 3-8, 14-21 27-31, 34-36, 39 and 47 are requested to be cancelled. Note: This application is in condition for allowance except for the presence of the above nonelected claims directed to an invention non-elected in the reply filed on 9/12/08. Applicants are requested to cancel the noted claims or take other appropriate
